*We start with Christ
in our serving, in our caring,
and in our growing*

A WORD FROM SENIOR PASTOR JON RHODES

***This is the day that the Lord has made;
let us rejoice and be glad in it. (Psalm 118:24)***

The hot, hot day and evening temps of the past few weeks help us to know we are deep into summer. Summer is the season of harvest when our planting, preparation, and tending come to fruition. Summer is a time when our pace and schedules are different, when our living is changed. It's a time of opportunity and adventure—often including time together with family and friends. Summer is the season of graduation parties, enjoying the great outdoors, travel, vacation, tournaments, and reunions.

Summer also provides a season for special ministries of the church. This past week at Christiania, we've been blessed with 38 elementary-age campers at Vacation Bible School (VBS). The energy the kids bring to our church through VBS is awesome! They are, indeed, alive and connected. To hear the excited chatter, shouting, and laughter of VBS is energizing. Also energizing—to see our volunteers in action. Christiania volunteers are a great mix of middle school helpers, high school helpers, and a variety of adult helpers. Thank you volunteers—we couldn't do it without you.

Summer brings together students of all ages to participate in relational ministry opportunities. In addition to VBS, the list of summer youth opportunities includes attending Camp Onomia and traveling to Waco, Texas for a Youthworks mission trip. Summer is also primetime for gardening volunteers to tend to our gardens and soon bring forth the harvest.

In summer we often enjoy a slower pace. This can make it a wonderful time for greater worship intention. This summer we have two weekly opportunities for worship. Together, we'll worship in the midweek (Wednesdays 6:30 pm) and on the weekend (Sundays 9:00 am). All summer worship will be both in-person and streamed live online.

A WORD FROM PASTOR (continued from page 1)

Last Wednesday's midweek worship was a real joy as we welcomed more than 50 people, including many VBS participants and their families. Our Bible focus was Psalm 100:1-5, a Psalm of thanksgiving, which encourages us to "make a joyful noise."

Psalm 100 All Lands Summoned to Praise God; A Psalm of thanksgiving.

Make a joyful noise to the Lord, all the earth.

Worship the Lord with gladness; come into his presence with singing.

Know that the Lord is God.

It is he that made us, and we are his; we are his people, and the sheep of his pasture.

**Enter his gates with thanksgiving,
and his courts with praise. Give thanks to him, bless his name.**

**For the Lord is good;
his steadfast love endures forever, and his faithfulness to all generations.**

Together in worship we considered our favorite joyful noises: singing; kids voices; crying from happiness; laughter; and the first cries of a newborn baby. Joyful noise is how life looks when we're fully engaged, safe living with passion, and trusting in God. Joyful noise describes a Godly way of living—really living engaged, connected, alive, and free. Joyful noise is attentive to living, passion, engagement, and connection. Our VBS participant's can encourage us toward living in deeply engaged ways.

Here are a couple joyful noise questions for consideration:

- Where, in your life, are you most joyful/engaged/passionate/alive?
- Where are you least joyful/engaged/passionate/alive?

Friends, the psalmist encourages all of us to make a joyful noise. Pay attention to both the places that we are most engaged and alive as well as the places we are least engaged and alive. Psalm 100 reminds us that "the Lord is good." God is dependable and truly endures forever. Remember how blessed we are. Join me in expressing and sharing our thanksgivings. Enjoy the opportunities for summer ministry. Make a joyful noise!

God loves you and so do I!

Pastor Jon

Thank You

Earl and I want to thank all of our Christiania family and friends who prayed for me, sent cards, came with food, or called with get-well wishes. It reminded me every day of God's love. Having this surgery was unexpected, but seemed to be in God's plan. We are very blessed and thankful to God for all of your support.

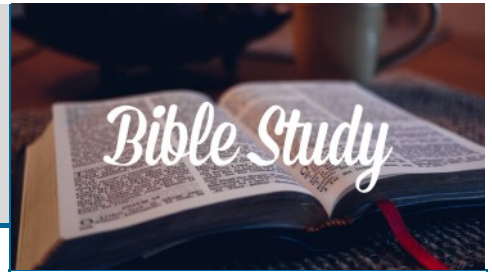

Blessings, Cheryl Schindeldecker

**EXECUTIVE COUNCIL PRESIDENT
BRUCE MOHN**

Celebrating the 4th of July with family and friends provides all of us a chance to stay connected. Annually we watch the progression of children growing up and becoming young adults who graduate from high school and college and get jobs and maybe get married and start a family of their own.

Being a member of Christiania, I have a church family as well. Witnessing baptisms, confirmations, graduations and sharing memories with members on anniversaries or supporting those who lost a loved one at a visitation or funeral are all part of being part of a church family. Enjoy those times when you get together once a year or Sunday morning in church.

These topics of interest were covered at the June council meeting:

- Moving ahead with updating our website
- Discussed the importance of a membership team
- Made a recommendation that office staff return to previous "in church" office hours

This summer members of the sanctuary refresh committee will be evaluating the needs of our church building, focusing on the sanctuary. This process hopefully will bring a new and fresh look to the church. We, as members, can help this process by offering suggestions and by staying current with our monthly giving or adding extra for the summer months when it is easier to fall behind on giving and thinking about contributing to the refresh project.

We, as leaders of the church, will be doing our best to create a new sense of optimism with the sanctuary refresh, a new look for our website and reaching out to current and new members inviting them to come back for worship. It will take an effort from all of us in small or BIG ways to get the job done.

Our family will enjoy a special 4th of July with relatives from Colorado coming to visit. Hopefully, you too can enjoy a good holiday as well with family and friends.

SANCTUARY REFRESH

Re-what?

You may have noticed the drop box at the entrance of the sanctuary asking “What do you think?” Perhaps you heard Cheryl Mohn talk about who we are and why we have formed this committee or maybe you even filled out your comments already or talked to us face to face. You may have even seen a link on the church website, www.christianialutheranchurch.org, asking for your input. Well, these are all signs that the Refresh/Revitalize/Rejuvenate committee has ‘re-started’ their meetings to address the physical state of the church building.

As we all age, we have things that we need to take care of for safety. It might mean using a cane or having an alarm to take our pills. It may mean we have a wheelchair and need certain space parameters and ramp access. It may mean we need to get our eyes checked more regularly to address any up-and-coming issues or it might mean we have holes in our favorite pair of shoes and it is time to get something that will cover our feet comfortably and give us a little more ‘spring’ in our step. Well, it’s pretty much the same for our church building.

Our church building has been hard at work since 1960, and it is starting to feel the years of housing an active congregation. Never fear—your Refresh/Revitalize/Rejuvenate committee has compiled a list of items for consideration and divided them into categories of: Safety, ADA (Americans with Disabilities Act), Maintenance and Refresh. Our goal is to enhance the interior of the sanctuary to achieve a healthy, safe, stable, functional space for the 21st century that is ADA compliant and aesthetically pleasing for the whole congregation. Hmm...that’s a lot....

This list is the starting point for the project. We want your feedback. How? (see the first paragraph)

Safety

- Pews - some supports are cracked and the wood is becoming brittle
- Divider curtains are very hard to pull and are showing signs of wear and tare
- Carpet on the altar is rippled and a trip hazard

ADA- Americans with Disabilities Act

- Altar- provide a ramp for access
- Pews- make a space for wheelchairs and walkers in sanctuary seating
- Access to sanctuary for seating
- Bathrooms

Maintenance

- Electric panel upgrade possibly needed to accommodate technology, music and lighting in sanctuary
- Windows are original - both sanctuary and education wing could be upgraded
- A/C is at the end of its life - replace it and maybe move it to south side of roof
- Insulate the peaked roof and replace shingles—slightly damaged in previous storms

Refresh

- Cleaning and possibly re-varnishing wood ceiling
- Replace the “tile” floor under pews
- Soffit updates
- Lighting
- Stained glass inserts re-purposed?
- Altar Wall
- Moving the altar and giving it a new façade
- Kneeling rail options
- Paneling repairs
- Painting
- Band area re-imagined

The above is what we have noted in our meetings and from your comments. Feel free to reach out to us with further comments.

Committee members are: Lonna Selkirk, Scott Tempel, Lucy Hurrell, Cheryl Schindeldecker, Fayette Ames, Arnie Schultz, Brad Smith, Geeg Aaker, Barb Bachman, Cheryl Mohn, Matt Steinbron, and Pastor Jon Rhodes

UPDATE FROM THE COVID RESPONSE TEAM

The team last met on June 21. Here is a summary of the latest developments and recommendations:

- ◇ Coffee hour: This has returned on Sunday mornings after the worship service. It is now being offered indoors. It is good to see everyone getting back together! The Congregational Life ministry team will continue to make adjustments and additions as appropriate.
- ◇ Funerals: Christiania recently hosted it's first public memorial service since the pandemic began. There were 193 people in worship and many more who attended the visitation. Food was brought in by the family during the visitation. The team recommended that the Funeral Committee begin planning for ways to provide food for future funerals.
- ◇ VBS: 38 student participants attended the first day, supported by 12 youth mentors and several adult volunteers. In keeping with local school policies, and consistent with CDC recommendations, unvaccinated staff, volunteers, and students are not required to wear masks while outside, but are strongly encouraged to wear face coverings when inside. This is to support children under the age of 12 who are not yet eligible for vaccination.
- ◇ Medical Team update: about 45 percent are fully vaccinated in the U.S.
- ◇ Reopening Next Steps:
 - * Recommend moving away from the pre-packaged communion elements in favor of the traditional wafers and individual cups administered at the front of the sanctuary. Barring any challenges this change will take effect for the July 18 worship service.
 - * Hymnals and Bibles may be returned to the pews. Make sure the hand sanitizer is also put with them.
 - * As of July 1, office hours are back to 9 am-5 pm. Each of the staff will be setting more regular office hours.
 - * Working on a plan for reopening the Nursery. This includes developing updated procedures for sanitizing and storing toys - before and after cleaning.

The COVID-19 reopening team medical professionals and educators will continue to monitor guidance and may renew mask or social distancing requirements should the need arise.

As always, please reach out with any questions or ask to join us for an upcoming meeting via Zoom.

Kid's Korner

Hello, my friends!

I hope you are enjoying your summer so far. It was so much fun to see many of you at Vacation Bible School last month. One of the stories from VBS this year was the story of Abraham and Sarah. God told them to go on a trip to a place they had never seen before. Even though they were probably a little scared about leaving, God promised to be with them always.

This month, I get to go on a trip with some of our high school friends. We are going to Waco, Texas. While we are there we will be meeting new people and helping them with some projects. We are trusting that God is leading us and that God's love is with us, just like Abraham and Sarah.

Are you going on a trip this summer? Maybe you are going on a family vacation or to a camp, or maybe just trips around town on your bicycle. Wherever you go this summer, trust that God is with you every step of the way.

~Joe Jorgensen, Director of Faith Formation

We're looking for volunteers to be readers for the 9:00 a.m. in-person worship service. If you are available, please contact Tania Drexler at tjdrexler@nuveramail.net

Video Operators

With our new streaming technology comes the need for a video operator. Ideally we will have a small team in which individuals can rotate every Sunday, similar to ushers and other volunteers. Please contact Dr. Matt if you are interested.

Flower Pots

Water the flowers in the pots outside the doors and by the sign at the parking lot entrance. Reminder, if the temperatures are above 90 degrees plants need to be watered daily. The sign up is located on our website or call Carri in the church office.

Mission Garden

Our garden is planted. Now the fun begins. Here is a list of things we'll need help with:

- ♦ Watering (depending on the weather this needs to be done every other day)
- ♦ Tilling between rows as needed to remove weeds
- ♦ Weeding around the plants
- ♦ Picking the vegetables
- ♦ Delivering vegetables to the food shelf

Call or text Linda Costa, garden coordinator, (612-812-4945) to volunteer.
