April 2022

*We start with Christ
in our serving, in our caring,
and in our growing*

SENIOR PASTOR JON RHODES

*“but he said to me, “My grace is sufficient for you, for power is made perfect in weakness.” So, I will boast all the more gladly of my weaknesses, so that the power of Christ may dwell in me.”
(2 Corinthians 12:9)*

Christiania friends:

As we transition from winter to spring, you may have noticed: snow cover has disappeared; more hours of sunlight each day; and warming temps. During this transitional time, we even get a winter snowfall that melted like spring overnight.

This month we will transition from the season of Lent to Holy Week’s Three Days and Easter. We hope you’ll join us at Palm Sunday Worship (April 10 @ 9 am) when we’ll welcome a great group of new members. Holy Week Worship will include both Maundy Thursday and Good Friday Worship (April 14 & 15 @ 11:30 am & 6:30 pm); First Communion will be celebrated and shared at our 6:30 pm Maundy Thursday service. Saturday (April 19 @ 9:00 am) we’re planning on our traditional Easter Egg Hunt. And together we will celebrate Christ’s Resurrection on Easter Sunday (April 17 @ 9:00 & 11:00 am) with our traditional Easter Breakfast served between services.

**A few items worth mentioning:
Volunteers**

It’s really a delight to be getting back to our ministries after two years of pandemic. We thank God for the wonderful, giving leaders who have served us so well. Please know they can use help and your support makes a difference. Many hands make light work.

Altar Portrait

The beloved Altar Portrait is safely protected in a locked staff office. It is in need of restoration as some cracking is visible on the painted surface. The chapel wall it used to hang on now displays a flatscreen monitor for chapel worshipers. We recognize the altar picture’s value and importance to many in this community and we hope to restore it and find a protected place to display it appropriately. If you know any art restoration experts, please let us know.

A WORD FROM PASTOR (continued from page 1)

Prayground

The Prayground is a place in the sanctuary where the little ones can keep busy and be included in our worship gathering. Our Prayground is up and already being used by “littles” and their parents in front of the side chapel. What a joy it is to have families with small children gather with us in the center of our community—worship. The nursery is still available but currently unstaffed. Our Children, Youth and Family (CYF) Ministry Team and Director of Faith Formation are so excited about this experiment. I’m wondering what it will be like with the littles right up front. Will it be distracting? Noisy? Will it be a welcoming sign to our youngest members and their families? I hope so. And I cannot wait to find out. Let’s pay attention to how the space gets used and make sure our young families know they’re welcome—and needed.

Friends, being together is so important for the quality of our relationships with each other and with God. I’m thankful many of you are so diligent to keep showing up. Come join us in being Christ’s Church. Worship with us in person and online.

God loves you and so do I! Pastor Jon

Bill Kanfield - Christiania Council President

Spring is here! A time of change. Spring came, and then it left for a bit, but as always, it is now back again! For us personally, spring means planning – fields, gardens, yards, summer vacations, enjoying the world as everything changes green and spending time in the sun.

As a congregation, it means the end of Lent, Holy Week and of course Easter.

This year, it also means some other changes.

Hopefully everyone has seen the CLC Sanctuary Refresh team video, visualizations, samples and scope of work to renew our building and worship space and the Revive capital campaign team's plan to finance the changes.

This is an opportunity to combine deferred maintenance (roof, AC and Heating) with safety, accessibility and energy efficiency updates punctuated with a warm, new Sanctuary.

Parallel to this, Council, Board, Committee and Team leads and representatives met to refine the Ministry Teams Statement of Purpose. The goal is to reignite our ministry, mission and outreach to align with the elevated vision of our refreshed new worship space. This also includes welcoming Andrew Mendez and Tia Burnham in rebuilding the Evangelism team and how we express evangelism at Christiania.

Finally, it is time for the 2022 State of the Church address. In this address we will present the current and projected financials, and touch on other 2022 core themes.

More to come as we continue on this journey!

Yours in faith,

Financial Assistance for Camp

Every year, the Children, Youth, and Family Ministry Team designates a portion of their budget to help cover the cost of attending summer youth camps at Camp Onomia. This year, the CYF team has pledged \$100 per youth attending a full week program, and \$50 for those attending a partial week program. In addition, the CYF Team applies for a grant from the Christiania Foundation to at least match those contributions. Periodically, there are opportunities to raise money through events such as the youth plant and bake sales. Money raised from these events may also be used toward to cost of attending camp.

Here is how to access this financial assistance: First, go to camponomia.org and register for camp. Then, go to the church website (www.christianialutheranchurch.org/camp-onomia) and fill out the Camp Intent Form. In this form you will find the option to request funds from the CYF team, the Foundation, and from your fundraising account. This form will also enable us to connect people who are attending the same camp programs. Once we have this information, we will arrange for funds to be sent to Camp Onomia on your behalf. Any assistance from the Foundation is typically applied in August after we receive a confirmation from camp about which of our youth attended.

Because we believe so much in the value of camp, we do not want anyone to miss out due to financial hardship. If attending camp is cost-prohibitive for your family, please contact Joe or Pastor Jon to discuss the possibility of additional scholarship funds.

Winter Retreat

On February 19, a group of 18 youth and adults went to Wilderness Resort in Wisconsin Dells for their annual winter retreat. They enjoyed time at the waterparks, skiing, building friendships, and dwelling in the word. We are looking forward to what God will do through these relationships and experiences. Thank you for support this and all of the youth programs at Christiania. Enjoy a few pictures from our retreat.

Introducing: The Christiania Prayground

You'll notice some changes to the sanctuary this month. In the front area of the chapel, we are creating a space called a prayground. There will surely be questions about this space, so I will attempt to address some of them here:

Q: What is a Prayground?

A: The Pray-Ground is an area in the front of the chapel specifically set aside for young children during worship. It consists of a rug, a small table with child-sized chairs, coloring sheets, crayons, blocks, books, and soft toys.

Q: Who is the Prayground for?

A: Generally-speaking, the Prayground is intended for toddlers up to about 6 years old. We may add infant swings and Bumbo seats in the coming months.

We recognize that the Prayground may not be appropriate for all children. For families that would prefer to keep their children with them in the pew, and need something to help hold their attention, we have Busy Bags, located at the back of the sanctuary. The nursery is also available, and is equipped with similar play elements as the Prayground. Parents are able to view the worship service on the TV as they sit with their child in the nursery.

Q: Why is the Prayground in the front?

A: Because kids pay more attention when they can see what's going on, and they're short! Lots of churches have similar areas for kids in the back, or in the middle, or off to the side. We recognize that kids will play and color for much of the time, but they also pay attention to what's happening in worship. Church leaders from congregations that have their own prayground space have reported that they have seen imitating movements of the pastor as they lead worship. Sometimes they play air-handbells or pretend to direct the choir. Some parents have overheard their young children singing the liturgy at home. When they can see what's going on, they absorb things in a different way.

Q: How do you keep the kids from wandering up to the chancel area?

A: We will create opportunities in worship to talk about the expectations. The large area rug will help set clear boundaries that kids can easily understand. We also ask that parents sit near the Prayground to monitor their children.

Q: Won't the kids be a distraction to the pastor or congregation?

A: Likely not any more than they would be when they're in the pews. In any case, we trust parents to know best if their child is becoming too disruptive and would benefit by returning to the pew or visiting the nursery.

It may also help that, in our sanctuary, our Prayground is right up front but it's also somewhat off to the side.

It is our hope that this Prayground space will serve the Christiania community well, and provide a welcoming and engaging space for our families with young children. Please pray that this space will be a blessing to our congregation and visitors. As we begin this endeavor, the CYF team would appreciate feedback. How is this space working for your family? How might we improve the space?
